In such high level exams like NEET there are lakhs of aspirants who are enrolling every year to just limited number of seats, so having conceptual knowledge with thorough practice is the only key to success in such examinations. There is a neck to neck competition in every entrance examinations so, the main concern for the students who are preparing is to know the types of questions, important questions, Question paper pattern and styling of the answers that are expected to come in the examination. Keeping this in mind, the current edition of "32 years' chapter wise solution (1988-2019) NEET & AIPMT Physics (one of the major subjects) has been provided with correct solutions, detailed explanatory discussions of the answers and each and every concept accompanied by the important formulae for 23 main chapters. This chapter wise guide of physics give the complete idea of exactly what kind of questions are being asked in the papers of NEET SOLVED PAPER 2018, NEET (NATIONAL) PAPER – 2019, NEET (ODISHA) PAPER – 2019. Thorough practice done from this will guarantee students in getting success in this examination. TABLE OF CONTENT Physical World & Measurement, Motion in One Dimension, Motion in Two and Three Dimension, Laws of Motion, Work, Energy and Power, Rotational Motion, Properties of Matter, Gravitation, Heat and Thermodynamics, Oscillations, Waves, Electrostatics, Current Electricity, Thermal and Chemical Effects of Current, Magnetic Effects of Current, Magnetism, Electromagnetic Induction, Alternating Current and Electromagnetic waves, Optics and Optical Instruments, Electronics and Semiconductors Devices, Important Formulae, NEET SOLVED Paper 2018, NEET (National) Paper 2019, NEET (Odisha) Paper 2019. Previous Next As solved Papers are playing major role in the long run, the present book of Arihant containing 13 Years' Solved Papers (2008-2020) of CBSE AIPMT & NEET has been revised carefully for the students preparing for the upcoming exam. The solutions are given in a detailed manner with the easy-to-understand language focusing on the clear understanding of questions asked from Physics, Chemistry and Biology. This book can be treated as a sufficient tool of learning active answering style and time management skills. With this helpful set of solved papers, students will want to believe the success in NEET 2021. Get answers from students and experts Ask Vishal Rajkumar Gudlani 3 Seconds Ago Look I used dinesh publication books for NEET UG. It has 3 volumes for each subject and a separate questions booklet which contains question papers of previous years. Its has a compilation of detailed synopsis which is very useful. Do have a look at the book. Its go See I would like to recommend you to buy anything of the mcqs books which contain maximum of the mcqs based on the ncert textbooks so that you get a thorough grip on the concepts of the ncert text books take one mcqs book containing previous years NEET and Aipmt papers for through practice If you do so you would get an idea about type of questions asked hi rangan, i have been where you are now, yes there are many books out there and they are all good in their own way, but the preference varies from person to person , for neet biology make sure that you through the ncert first as when i attended around 310 marks were out of ncert text book, and i would suggest you to use your entrance coaching material along with ncert first. understand the concepts well, use any good book you like just to solve more and more questions, analyse , rectify and learn from your mistakes, good luck Hello dear, Firstly don't caught up in too many sources jut limited books and good reference will be fine to score well . Biology. NCERT + MTG publications or Trueman Chemistry. NCERT + your notes or Modules + arihant for MCQ Physics. HC verma for concepts + DC pandey or Universal or Arihant (any one will work). Dear aspirant, The following books (in my opinion) are good for preparation:- BIOLOGY 1.ncert 2.ncert exemplar 3.MTG 4.trueman CHEMISTRY 1.ncert 2.ncert exemplar 3.arihant 4.MTG PHYSICS 1.ncert 2.MTG 3.ncert exemplar 4.universal self scorer Hi Rangan Dutta Here is the only solution for all of your queries... Best Biology Books for AIIMS and NEET Trueman's Biology Vol. 1 & 2 Objective Biology by Dinesh Pradeep Publication's Biology Prakash Objective Biology A C Dutta for Botany (Oxford Publication) GR Bathla Publications' for Biology (Theory & Objective) Best Physics Books for AIIMS and NEET H C Verma for Physics Aggarwals' Concept of Competition Physics for CBSE PMT NCERT Physics: CBSE PMT by Anil Aggarwal (Set of 3 Volumes) NCERT- Physics Part 1 & 2 Objective Physics for Medical Entrances Examination (Volume 1 and Volume 2) Best Chemistry Books for AIIMS and NEET Modern ABC of Chemistry for Class 11 th & 12 th (Vol. 1 & 2) Physical Chemistry by O P Tandon Arihant Organic Chemistry Dinesh Chemistry Concise Inorganic Chemistry by J.D. Lee for Inorganic Chemistry Objective NCERT at your fingertips Chemistry by MTG I think ncert is enough for theory part . If you still Want to study extra then solve ncert exemplar First of all, complete your NCERTs as these are the best books to score good in NEET as it covers 70-75% syllabus and if you talk about the reference books then better to choose the one which make all your concepts strong and which are easy to understand. Also, as per student's reviews below reference books are good - Biology - Moderns ABC of Biology for XI & XII – B. B. Arora, A. K. Sabharwal- Modern Publishers Exploring Biology (Vol 1 & 2) – Sanjay Sharma & Sudhakar Banerjee – Arihant Publications Objective Biology (Vol 1, 2 & 3) – K. N. Bhatia / K. Bhatia – Dinesh Publications Physics - The Concept of Physics by HC Verma Objective Physics by Prof. Satya Prakash Arya (MTG Publishers) Chemistry - Physical Chemistry by OP Tandon (G. R. Bathla Publications) Objective Chemistry (Set of 3 Vols) (S. Dinesh & Co.) Good Luck!!! Hello Agnimesh, exam preparation Most important for NEET/AIIMS is your NCERT books as these books include basic principles and concepts and provide accurate information, BUT KEEP IN MIND YOU HAVE TO CLEAR ENTRANCE YOU ARE NOT DOING PHD so dont go by all books mentioned here and there KEEP NCERT + ONE REFERENCE BOOK + MAXIMUM MCQS PRACTICE = Medical SEAT Apart from this, you can add upon it by following books. All book are good. Choice is your. Biology - Truemans Biology Vol. 1 & 2 Objective Biology by Dinesh Pradeep Publications Biology Physics - Concept of physics by H C Verma Fundamental of Physic by Pradeep Objective physics by DC Pandey Chemistry - Arihant Organic Chemistry Dinesh Chemistry Inorganic Physical Chemistry by O P Tandon Objective NCERT at your fingertips Chemistry by MTG Hope this helps!...BEST OF LUCK If you require further assistance please let us know Regards Dr. Parmanand Agarwal MBBS, MD Career counselor Hi Agnimesh! See the most important stuff in preparation is to make correct choice of comprehensive and concise book and then work on it smartly. Almost all books has same contents. So personally I feel it is wise to consider NCERT as base and per subject you can add book like HC verma gor physics, GR bathla for solving chemistry questions and for biology Allen material is good. Simultaneously keep going through MTG magazines. All the best ! Get answers from students and experts Ask Link CopiedThanks! Your report is submitted, the author will be informed about it Get answers from students and experts Ask mtg publications neet 32 years previous year question papers Ncert the most important book for all the subjects you just need to learn thoroughly all the books of NCERT of all the subjects . Other than that for mcqs ... NCERT fingertips MCQ book for biology , chemistry , physics or uh can also follow this books mentioned below Biology - Dinesh Physics - USS, Arihant Chemistry - USS Hope uh get it all the best for exams Which question bank is best to revise Jee/aiipmt for neet physics, chemistry biology??? hi akshay there are many good books out there for the preparation of NEET , i will tell you how did, but bear in mind it all comes to individual preference and it always varies.i used ARIHANT PREVIOUS YEAR PAPERS, and they were pretty good for me, i used NCERT text books for all subjects along with my coaching institute materials, question banks provided by them, i referred concepts of physics by hc verma, op tandon and jd lee for chemistry,biology @ your finger tips. hope this helps . good luck Hello Akshay, For biology. MTG previous year solved question papers are available. For chemistry. Either go for Arihant or MTG. For physics. Universal has previous year question papers that too in a graded fashion from easy to moderate to harder ones. Hello Akshay, Most important for NEET/AIIMS is your NCERT books as these books include basic principles and concepts and provide accurate information. BUT KEEP IN MIND YOU HAVE TO CLEAR ENTRANCE YOU ARE NOT DOING PHD so dont go by all books mentioned here and there KEEP NCERT + ONE REFERENCE BOOK + MAXIMUM MCQS PRACTICE = Medical SEAT Apart from this, you can add upon it by following books Biology - Truemans Biology Vol. 1 & 2 Objective Biology by Dinesh Pradeep Publications Biology Physics - Concept of physics by H C Verma Fundamental of Physic by Pradeep Objective physics by DC Pandey Chemistry - Arihant Organic Chemistry Dinesh Chemistry Inorganic Physical Chemistry by O P Tandon Objective NCERT at your fingertips Chemistry by MTG Hope this helps!...BEST OF LUCK Regards Dr. Parmanand Agarwal MBBS, MD Career counselor Hello Akshay Good books for neet questions I would suggest you is 29 years which has all previous years question papers . And we'll simplified solved answers. And the second book I would suggest you is MTG fingertips . All the best HARSHITA JAIN (CR @careers 360) Hi You can download AIPMT/NEET question paper with answer keys right from 2005-till date online for free and here it printed If you want segregated questions like topic wise AIPMT /NEET questions from each chapter for Physics, chemistry, biology 1.Universal Self Scorer (Errorless book) 2.NCERT Fingertips These are the books I used for practicing. Plus you'll be having mock tests in your institute based on similar pattern of year questions . Anyway you'll get to know it. Goodluck, Sivat Raj, Campus-representative, Careers360. Hello Apart from the books which have already been suggested to you like Dinesh and Pradeep for physics, chemistry and Biology, along with subject specific books like, HC Verma for physics, op Tandon op Agarwal for chemistry, and Rastogi or Truman for biology - I think 18 revision of the AIPMT questions or need questions of previous years which are available in the form of busters or various study maths which are given by Institutions like Aakash is a real Handy utility before examinations. It will not only give you good exposure of how MCQs with relative proportional ISM from each chapter across the three subjects is questioned upon in NEET examinations, but will also help you to realise your strengths and weaknesses and allow you to answer maximum number of questions correctly and minimise the number of questions you have to leave out all your answer wrongly so that you can do well in your Neet examination. Absolute ki being the ability to solve the maximum number of correct questions in the least I'm possible because time management is a determining factor in the Neet examination. Hi Akshay Patil, There are hundreds and thousands of books for NEET exam preparation in the market, but studying from the best books for NEET exam is important to clear NEET exam and get high rank. Best Biology Books for NEET Preparation Book Name Publication/ Author Biology Class 11 and 12 NCERT Biology Vol 1 and 2 Trueman Objective Biology Dinesh Objective Biology Pradeep Publications Biology (For theory and objective) GRB Bathla Publication Best Physics Books for NEET Preparation Book Name Publication/ Author Physics Class 11 and 12 NCERT Concepts of Physics HC Verma Objective Physics DC Pandey Fundamentals of Physics Halliday, Resnick and Walker (Optional- Advanced level) Problems in General Physics IE Irodov (Optional- Advanced level) Best Chemistry Books for NEET Preparation Book Name Publication/ Author Chemistry Class 11 and 12 NCERT Physical Chemistry O.P. Tandon Ojective Chemistry Dinesh Publication Organic Chemistry Morrison and Boyd for Organic Chemistry (Optional- Advanced level) Concise Inorganic Chemistry JD Lee (Optional- Advanced level) There are a plethora of books available for previous year's questions of NEET-UG examination. You can follow any one of the below mentioned books: 1) Arihant expert - 30 years chapter wise questions for NEET-UG 2) MTG - 30 years NEET chapter wise questions for physics, Chemistry and Biology. Both the books are equally good and have exhaustive number of questions for you to practice. Get answers from students and experts Ask Link CopiedThanks!
